

PTA Contact List

Consent for 2017-2018

Welcome to Phil and Jim!

The Phil & Jim Parent Teacher Association (PTA) is a very active, social group of families who work hard to provide us all with fun activities throughout the year that also help fundraise for our school. A big part of how we are able to do that is through excellent communication!

The PTA uses a database for all correspondence from your Class Representatives, who will distribute important notices and announcements to you all directly from your child's classroom teacher(s). If you have not done so, please do create an account and register for your children's classes.

In addition to classlist (and separately), the PTA Committee will send emails to us all with important news and reminders. Please fill out this form to give us consent to do so, or email us to be added to this list: contact@philandjimspta.org

Please add this email to your contact list to ensure that our emails arrive in your inbox rather than spam!
