

ARISTOTLE CUP COACHING

- Each team needs to have a coach.
- The coach can be any adult (parent, carer or any other person) that the parents/careers select.
- The same person can coach different teams, as long as it is not the same year's teams (i.e. boys and girls team of the same year) or EYFS and Y1 as they play simultaneously.
- The coach has the responsibility of assembling the teams and pass on information from the organisers. Children of the Aristotle Cup volunteers are always in the teams, if they want to play.
- The coach has to send the list of the children that form the team to the organisers (please include year, school and coach name) to aristotlescupj@gmail.com by the 7th of May. The list can be adjusted later as necessary.
- The coach needs to be at Phil and Jim with the team 30 min before to start the match ("see the **ARISTOTLE CUP SCHEDULE**").
- The coach will decide if there is a need for the team to practice before the tournament and coordinate such practice (optional).
- The coach is responsible to collect the player fee of two pound and give the money to the organisers.
